

hello to all!! 

We are currently compiling a contact list for all who are planning to do the north tour this year. In addition to manitoba pilots who are coming, there are 5 saskatchewan planes who are customizing the trip by continuing on from arviat to raankin inlet (nu) - baker lake (nu) - casba lake (nu) - stoney rapids (sk) - buffulo narrows - Lloydminster.

Please send us the following contact info:

PHONE NUMBER

CELLPHONE NUMBER

WE WILL COMPILE THIS INTO A LIST, AND SEND IT OUT TO ALL INTERESTED SO YOU WILL BE AWARE OF WHO IS COMING. Hopefully you will meet some of the pilots at various flyouts from now until then. We attend most flyouts so we hope to meet all of you in the near future.

Please contact us if you have any questions, ideas..... If you have previously sent contact info please send again (due to my disintegrating grey cell matter).
